

# FORT WAYNE UNION LABEL AND SERVICE TRADES COUNCIL

CHARTERED BY THE UNION LABEL AND SERVICE TRADES DEPT., A.F.L. - C.I.O. - C.L.C.  
ORGANIZED MARCH 9, 1934

We at the Union Label & Service Trades Council are very excited to announce our purchase of a short passenger bus. This rolling Union Hall will be filled with Union materials such as books, T-shirts, and various training items, which will help us in training and organizing people who want to learn how to make their voices heard at their work places.

We know that the unions are directly related to working people maintaining a living wage, and as we can see with the loss of union members, is the subsequent loss of a decent standard of living.

This Union Label Council has been in existence since 1934, and has toiled for years in fighting corporate corruption and greed. We have not swayed from our basic pledge to support the products and services of organized labor.

With these times upon us it's time to work **Right Here – Right Now**, and the first line of defense is our ability to control politicians who create these unfair laws.

What we're asking for, outside of normal affiliation fees, is a minimum of \$250 per year. In exchange, we will put your logo along with a local union number at about 8 inches in size on the bus. Hopefully this will show solidarity and support as we travel around the state.

If you are interested in supporting this cause, please fill out the form below and return it to:
