Flu Injections \$28

Pneumococcal (Pneumonia) Vaccine \$70

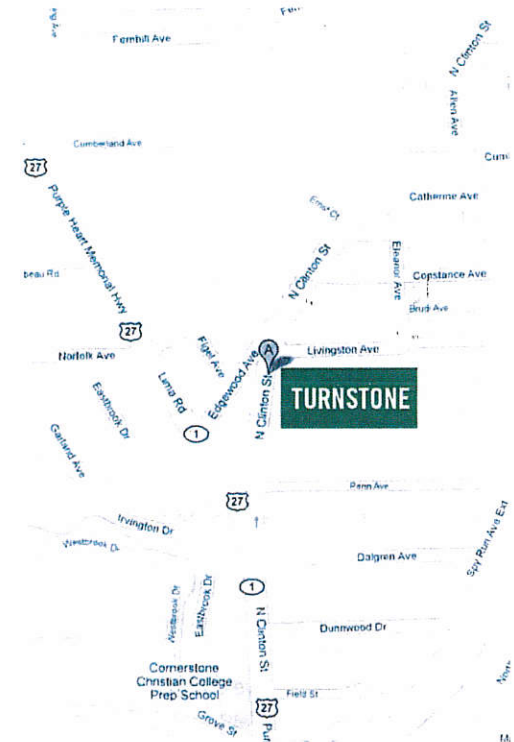

No charge for Immunization Vaccines under Medicare Plans. Please bring Medicare card for billing.

The Centers for Disease Control and Prevention recommend pneumococcal vaccinations for all adults age 65 and older and adults who are at increased risk for the disease. Check with your primary care physician to see if you have had this vaccine.

Mammograms by
FRANCINE'S FRIENDS

To schedule your mammogram, call (260) 266-8120.

Prior to lab testing, please fast for 9-12 hrs. No smoking, drinking or gum chewing prior to test. Normal medications should be taken with small sips of water. Please do not fast if you have a medical condition which makes fasting unreasonable. Please remember to wear a shirt with sleeves that can be easily rolled up past the elbow.

Friday, October 6, 2017
